**05 0300CST**

Widespread heavy rainfall occurred over much of extreme southern Missouri from the late morning hours of Sunday January 4th into the early morning hours of Monday January 5th. Widespread rain totals of one to three inches occurred with locally higher amounts in the Branson area. This rain falling on saturated ground caused widespread flooding of low water crossings. Many highways that cross low water crossings or creeks were temporarily closed in the region. No serious damage or accidents were reported.

#### **Jasper County**

<b>Countywide</b>	<b>06</b>	<b>0900CST</b>			<b>0</b>	<b>0</b>	<b>0</b>		<b>Flash Flood</b>
-------------------	-----------	----------------	--	--	----------	----------	----------	--	--------------------

Heavy rainfall of around one inch caused flooding of low water crossings in the county

#### **Newton County**

<b>Seneca</b>	<b>06</b>	<b>0900CST</b>			<b>0</b>	<b>0</b>	<b>0</b>		<b>Flash Flood</b>
---------------	-----------	----------------	--	--	----------	----------	----------	--	--------------------

Heavy rainfall of up to an inch caused flooding of low water bridges in the area.
